Re: Your Public Records Act Request dated May 30, 2019

To Whom It May Concern:

This letter is in response to the follow-up requests you made to the Butte County Department of Development Services (the "Department") on July 5, 2019, in which you requested certain documents pursuant to the California Public Records Act (Gov't. Code section 6250, et seq.)(the "Act"). Your requests were received on July 5, 2019.

Pursuant to the Act, the County of Butte responds to your request as follows:

Request:

"Under the exception to the exemption from disclosure in Govt Code 6254(f)(2)(A), please provide all complaints filed 're: Temporary Log Yards and Timber Processing Facilities in Support of the Camp Fire Recovery Effort as mentioned by our Director at the BoS meeting on May 21 (see https://buttecounty.granicus.com/MetaViewer/php?view_id=2&clip_id=661&meta_id=101308)'."

Response:

Government Code section 6254(f)(2)(A) requires that local agencies make certain information public. Here is that information: The two cases cited in our letter dated June 12, 2019 remain active and code enforcement citations have been issued. In addition to the two cases cited in our letter dated June 12, 2019, there are two additional cases. Case No. CE19-00559, located at 13186 Concow Road, Concow, CA 95965, concerning a logging deck, has been closed for compliance. The Case Details are enclosed. In another case, a code enforcement case was opened concerning a log yard at 6719 Ranch Oaks Road and violations were found and two citations were issued. This case remains active.

This concludes the County of Butte's response to your Public Records Act request.

Very truly yours,

BRUCE S. ALPERT
